## Kimberley Sandstone and Kimberley Quartzite

Ashlar Stones exclusive range of Kimberley Sandstone and Kimberley Quartzite products include tiles, paving, splitface cobblestones, tumbled cobblestones, bullnosing and cladding.

Mother nature has created a natural stone with an array of colours from soft beige tones utilized in the Motorola Project at the University of Western Australia, to the natural red, orange, yellow and purple tones incorporated at the landmark Federation Square project in the Melbourne CBD.

*Kimberley Sandstone and Kimberley Quartzite are the natural choice for your next project.*
